DV 05425-17-1912 – DOC HOLIDAY. The "Super Man" in one loft racing. The big winners of the Golden Algarve Portugal 2017 Final Race. DOC HOLIDAY is one special quality racing pigeon.

Winner of 1st place in one of the toughest one loft race series on earth against 2,624 pigeons from the distance of 505 km (315 miles) and 90 degree temperatures. This takes a special racing pigeons.

DOC HOLIDAY has the winning genetics throughout his pedigree along with that special smart look, strong body, one pin tail, super muscle and very soft feathers. For me, he is the perfect breeding male that raced and won against the best racing pigeons from around the world. He will make a big impact in my breeding loft for many years to come.

FR 406034-16 – AVIATOR 3. 2nd Place Final Race Golden Algarve Portugal 2016. The birds competed in the toughest race conditions – strong head winds, 90 plus degrees, clear skies from 315 miles. The birds raced against 3644 of the best racing pigeons from around the world. Perfect conditions for selection.

AVIATOR 3 came alone several minutes ahead of the 3rd placed winning bird in a very tough clean race. She is the perfect hen that I want in my breeding loft - super muscle, strong tight vents, one pin tail, rich eyes, very beautiful. Plus she is bred super!

AVIATOR 3 won: 22nd Ace Pigeon Golden Algarve Races. She is a half sister to 1st Provincial Ace Pigeon 2015, 1st Bergerac vs 2955 birds - long distance, 5th General Ace hen 2015 plus several more top prize winners. A genetic package of winners – Leo Hermans, Nico van Noordenne and Ludo Claessens.
